

BMCCC Philosophy & Mission

God gives each child a soul eager to learn, to love, and to be happy. Our mission is to provide an atmosphere where these lessons can flourish.

We strive to meet the needs of our children and parents by providing excellent quality childcare in a nurturing Christian environment. It is a place where children can feel safe, be accepted for who they are, and be loved unconditionally.

Here they can explore the world and begin to find out who they are, what they are capable of and how they fit.
