

Mission Fund Application

Berkeley UMC (BUMC) has funds available for ministry and missions as a result of interest on our endowment fund. The Endowment Committee will receive applications for funds from BUMC members who would like to support specific ministries. These funds will be available for ministries to the community in which members are involved or supporting ministries that are meaningful to members. The Committee will determine allocation of funds with the following criteria in mind:

1. Preference will be given to ministries that involve a mission to “make disciples for Christ”.
2. Ministries will be considered that exemplify Christian values and align with the United Methodist Book of Discipline and Social Principles of the Book of Resolutions.
3. Ministries will be considered in which Berkeley UMC members have connection and or involvement.
4. Ministries will be considered for local, state-wide, national and international work.
5. BUMC members applying for funds will be asked to provide information on the work of the ministry and how the church can continue to support their work. This will include material from the ministry and information to be presented for a missions moment at Sunday morning worship.

Please fill out the following application for consideration

BUMC member/staff person requesting funds _____

Name of Ministry/Organization _____

Primary Contact _____

Address _____

Phone Number _____ Website/email _____

Give a brief description of the ministry/organization and their work

How do you see this organization aligning with the mission of BUMC and the UMC in general?

How could BUMC and its members continue to support this ministry?
